

Title: Multiplexed Protein Expression and Activity Assay
Applicant: Monforte
Filed: December 11, 2001 Serial No.: 10/014,731
Examiner: Unassigned Art Unit: Unassigned
Our Docket No.: 24743-2308

A Detection Of The Protein Target And Formation Of An Antibody Sandwich

B Amplification Of Phagemid By Infection And Growth Within *E. coli*

Phagemid Coding For Phage Antibody And Signature Peptide [Hatching]

C *In vivo* Expression Of The Signature Peptide Within The *E. coli* Host

D Direct Analysis Of Peptides By MALDI Mass Spectrometry

FIG. 1
